

**Tri-County Housing & Community Development Corporation**  
**Serving Bent, Crowley & Otero Counties**

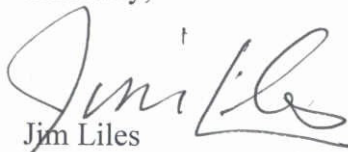

Letter of Recommendation:

Greetings:

I highly recommend Marc Diament, Architect, for architectural services. Marc Diament has rendered historical architectural design services for the renovation of the historic Manzanola Train Depot for the Town of Manzanola and Tri-County Housing & CDC. Shirley Adams, Mayor of Town of Manzanola, and I worked very closely with Marc Diament in the long process of renovating the train depot and are very pleased with his professionalism, design and contract documents, ability to work with contractors and attention to detail.

Please feel free to contact me if you need further information.

Sincerely,

  
Jim Liles  
Executive Director
